

IT'S ALL ABOUT THE FABRIC

Moisture Management (Wicking) A specially engineered, high-performance fabric in which the inner layer draws moisture away from the body to the outer layer where it quickly evaporates, keeping you cooler in hot weather and warmer in cold.

X-System Technology An antimicrobial technology that uses the newest dual-action nanoparticles of silver to fight bacteria and odor. This technology requires less laundering and saves gallons of water each year.

AEGIS Microbe Shield™ An advanced, highly durable and effective antimicrobial. Commonly used by NASA and in hospitals to fight bacteria, this fabric treatment features a positively charged polymer that bonds molecularly to the fabric to fight the growth of bacteria and fungi, reduce odors, and protect against stains and deterioration. Also helps to wick away moisture so fabric dries quickly.

The Skin Cancer Foundation Seal of Recommendation

To earn this distinguished seal, a product must be proven to aid in the prevention of sun-induced damage to the skin and must earn a UPF (Ultraviolet Protection Factor) of 30+ or above. In keeping with safety as the top priority for Scouts, BSA has developed a full line of sun-protective clothing—both uniform and non-uniform items.

COTTON-RICH POPLIN

- Uniform shirts of 67% cotton/33%polyester
- Comfort with easy machine-wash care
- Khaki and navy shirts offer UPF 40+ sun-protective rating

NYLON SPANDEX®

- Venturing® Uniform Shirt and Pant are durable nylon/Spandex® blends
- Technical fabric is super-lightweight
- Stretch-comfort, moisture-wicking fabric
- X-System technology fights bacteria/odor
- Excellent UPF 40+ sun-protective rating

SUPPLEX® NYLON

- Moisture management
- Excellent UPF 50+ sun-protective rating
- Lightweight and quick-drying

POLY-WOOL

- Easy-care, wrinkle-resistant and durable
- Wool makes fabric more substantial and comfortable for year 'round use

COTTON-RICH CANVAS

- Extra-durable and stain-resistant—ideal for active Scouts
- Excellent UPF 40+ sun-protective rating

MICRO POLY

- Khaki shirts and uniform-green pants in durable, lightweight polyester microfiber
- Aegis™ antimicrobial technology
- Superior moisture control
- Excellent UPF 40+ sun-protective rating
